Return Service Requested

Established in 1972 as the West Haven Foundation, Welcome House is dedicated to helping individuals with intellectual and developmental disabilities live a full and rewarding life by providing a variety of residential services in an atmosphere of a caring community. Residents and their families rely on Welcome House not only to provide the ongoing care that is so critical to their loved ones but also the special extras that create happiness. With 250 staff members, Welcome House serves over 140 individuals in 10 group homes and another 20 supported living sites and a highly successful supported living program.

The overall goal of Welcome House's residential program is to create a supportive family atmosphere in which the residents of the house will develop independence and a sense of competence by experiencing success in both the home and the community. Welcome House attempts to meet each individual's mental, physical, social and spiritual needs by actively seeking out and building on their strengths, interests and talents.
